

Inquiries for Service:

PLEASE FOLLOW THE DIRECTIONS BELOW:

STEP 1:

How to obtain a legitimate copy of your credit report from 1 of the 3 bureaus:

Request a copy of your credit report from 1, only one, of the 3 credit bureaus by going to www.annualcreditreport.com. I strongly do not recommend getting more than one report from any agency.

STEP 2:

Download + Save it:

This should be saved to your Google Drive or your personal laptop, not accessible by just anyone, as it contains sensitive information.

Compare report to your Credit Karma account:

1. Compare them side by side to check for any discrepancies.

STEP 3:

- **CONTACT ME: EMAIL, PHONE, FACEBOOK MESSENGER, ETC.**
- I will send you a Credit Report Authorization Form for you to fill out which will protect myself, legally, and yourself.
- **AFTER YOU HAVE SENT ME THE COMPLETED FORM BY EMAIL OR ADOBE:**
 - We will set up a video call (pick your platform) to discuss what your goals are and what you feel is holding you back. Remember, I am not a magician. I can help you, maybe even give you a blank slate but it is up to you going forward to use the tools I will give you to ensure that you do not need to seek services for credit repair again. Please learn from your past mistakes and be financially responsible going forward.
 - Payment will vary case by case depending on the amount of accounts, time spent, etc.

FINAL:

1. I reserve the right to deny service to anyone for any reason, particularly if I determine based on your credit report accounts that I am not comfortable that I can deliver the results that you want or expect. Ask me about this in our video call for more details.
